

ONCE UPON A RIVER

Meandering through storied scenery including hillside castles, craggy cliffs, terraced vineyards, and the medieval towns of five countries, the Rhine River weaves together a tapestry of history and culture (not to mention countless UNESCO World Heritage sites), making it the perfect feast for travel cravings.

With one-of-a-kind sightseeing, second-to-none panoramic views, and enhanced safety protocols and procedures in place, Avalon Waterways offers a Rhine River cruise you can bank on.

.....

Fly from CA\$499 per person and save up to CA\$2,500 per couple on select 2021 & 2022 Avalon Europe river cruises booked by 1 March 2021.
